REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Boulder Bluff students continue to show continuous learning gains as we refine our schoolwide focus on individual growth through Response to Instruction (RTI). Students receive extra assistance within the classroom on reading and math skills. Students for whom the classroom intervention is not enough receive additional services. These may include Reading Interventionist, Compass ASSIST Lab, PALS, or Head Sprout.

Teachers continue Professional Learning Communities (PLC) collaboration to sharpen the effectiveness of instructional strategies to improve student learning. Teacher teams work to insure every student develops the skills to be successful. We completed our second year of Positive Behavior Incentives and Support (PBIS). We focus our attention on teachers, parents, and the student understanding our behavior expectations. With these expectations clearly stated and taught, students are recognized and rewarded for exhibiting the behaviors. Boulder Bluff is a positive environment that supports all areas of growth.

Our school is proud to be recognized with the Palmetto Gold for overall student achievement this year and with the Palmetto Silver award for closing the achievement gap. The Boulder Bluff PTO, School Improvement Committee, and Title I Planning Team continue to help guide our plan for continuous improvement.
